The old library / Germanic Club?

Temporary, the old Grinders.

I could have some outside of the BID ideas too.

Ayara is looking for a “temp kitchen” for about 3 months while they remodel their restaurant. They are willing to put some money into it and may even be willing to keep it afterward for a different concept. They would be willing to be anywhere in the total BID (inc. Lincoln) area. Let me know if you think of anything.
